UNIMERS INDIA LIMITED

INDEPENDENT AUDITOR'S REPORT

To The Members of

Unimers India Limited

1. Report on the Financial Statements

We have audited the accompanying financial statements of Unimers India Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2015, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

2. Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

3. Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the financial statements.

4. Basis of Qualified Opinion

- (a) The accumulated losses of the Company as at the year end exceeds its entire net worth; however the Company has been advised that since certain conditions as per the Sick Industrial Companies (Special Provisions) Act, 1985 were not being met, it was not eligible to make a reference to BIFR. However, should the legal status as regards the validity of the closure of the plant change, appropriate steps will have to be taken by the Company in this regard. Moreover, the plant operations were suspended since October, 2007

and thereafter formally closed and workers retrenched effective from 26th June, 2008. These financial statements have, however, been prepared by the management on a "going concern" basis, considering the various revival/restructuring options being pursued by the management. This being a technical matter and in view of uncertainty, we are unable to express an opinion as to whether the Company can now operate as a going concern. However, as explained, should the Company be unable to continue as a going concern, there would be impact on the assets & liabilities of the Company. The extent of the effect of the resultant adjustments to the accumulated losses, assets and liabilities as at the year end is presently not ascertainable.

- (b) We are unable to express an opinion as to when and to what extent the carrying value of Building of Rs. 258.57 lacs would be realised (impairment loss) in view of the closure of all manufacturing activities since October, 2007 (subsequently formally closed and workers retrenched effective from 26th June, 2008), the impact whereof on the loss for the year, accumulated losses, assets and liabilities as at the year end is presently not ascertainable.
- (c) The accounts of certain lenders aggregating to Rs. 4,945.06 lacs (Previous year Rs.4,947.38 lacs), Securities application money due for refund of Rs. 75.21 lacs (Previous Year Rs. 75.21 lacs), Advances from customers of Rs. 374.34 lacs (Previous Year Rs.374.59 lacs), Trade Payables of Rs. 712.96 lacs (Previous Year Rs. 711.26 lacs), Bank balances (Dr.) of Rs. 0.27 lacs (Previous Year Rs.0.27 lacs), Loans & Advances recoverable of Rs. 119.65 lacs (Previous Year Rs. 120.08 lacs) being subject to confirmations / reconciliations and adjustments, if any, having consequential impact on the loss for the year, assets, liabilities and accumulated losses as at the close of the year, the amount of adjustment if any, are as explained by the management presently not ascertainable and therefore, not accounted for.
- (d) The Company has not yet deposited long outstanding amount of Rs.164.69 lacs (Previous year Rs. 164.69 lacs) to the Investor Education & Protection Fund (IEPF) and consequential unascertained liability of interest / other charges on the same
- (e) Other than stated in para "f" below, liability as may arise towards interest/compound interest/penalty on delayed/non-payment to certain lenders / trade payables / statutory / workers dues has not been ascertained and not provided for.
- (f) The Company has not provided interest payable of Rs. 522.38 lacs (Previous Year Rs. 459.78 lacs) in respect of public debentures, Rs. 1500.86 lacs (Previous Year Rs. 1059.69 lacs) in respect of secured / unsecured loans and Rs.476.12 lacs (Previous Year Rs. 377.55 lacs) in respect of certain other liabilities. As explained, the management is in discussions with the parties concerned in respect of interest payable and is hopeful of its waiver.

We further report that without considering the matter referred in para 4(a) to 4(e) above, the effect of which could not be determined, had the observation made by us in para 4(f) above been considered, the loss before tax for the year would have been Rs. 2,636.57 lacs (as against reported loss of Rs. 137.21 lacs), accumulated losses would have been Rs. 11,982.13 lacs(as against reported figure of Rs.9,482.77 lacs), other current liabilities would have been Rs 8,382.55 lacs (as against reported figure of Rs 5,883.19 lacs); Previous Year loss for the year would have Rs. 2,127.03 lacs(as against reported loss of Rs. 230.01 lacs), accumulated losses would have been Rs. 11,096.75 lacs(as against reported figure of Rs.9,199.73 lacs), other current liabilities would have been Rs 7,713.42 lacs (as against reported figure of Rs 5,816.40 lacs).

NOTE 16 – SIGNIFICANT ACCOUNTING POLICIES**a. ACCOUNTING METHODOLOGY**

The financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles ("GAAP") under the historical cost convention on the accrual basis. GAAP comprises mandatory accounting standards prescribed under section 133 of the Companies Act, 2013 read with rule 7 of the Companies (Accounts) Rules, 2014. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard required a change in accounting policy hitherto in use.

b. USE OF ESTIMATES

The presentation of financial statements in conformity with Generally Accepted Accounting Principles (GAAP) requires management to make estimates and assumptions that affects the reported amounts of assets and liabilities, and the disclosures of contingent liabilities on the date of the financial statements. Actual results could differ from those estimates. Any revision to accounting estimates is recognized prospectively.

c. REVENUE RECOGNITION

Revenue from sale of goods is recognized when significant risks and rewards of ownership are transferred to the customers. Sales are net of sales return and trade discounts.

d. FIXED ASSETS

- i. Fixed Assets are carried at cost/book value and include amounts added on revaluation. Depreciation is provided on revalued cost of assets (excluding land) on Straight Line Method, at rates prescribed under Schedule II of the Companies Act, 2013. Cost of leasehold land/land development is being amortised over the period of the lease. In respect of additions to fixed assets, depreciation is being calculated on pro-rata basis from the month of such addition.
- ii. Financial Leases - Assets under hire purchase are capitalised and depreciated as per estimated useful life of the asset.

e. IMPAIRMENT OF ASSETS

In accordance with AS 28 on 'Impairment of Assets' accounting standards prescribed under section 133 of the Companies Act, 2013 read with rule 7 of the Companies (Accounts) Rules, 2014, the carrying amounts of the Company's assets related to cash generating units are reviewed at each balance sheet date to determine whether there is any impairment. The recoverable amount of such assets is estimated as the higher of its net selling price and its value in use. An impairment loss is recognized in the profit and loss account when the carrying amount of such assets exceeds its recoverable amount. Impairment, if any, is recognized in the accounts in the year in which an asset is identified as impaired.

f. INVENTORIES

Inventories are valued at lower of cost and estimated net realisable value. Valuation of finished goods represents direct cost and an appropriate portion of factory overheads which are incurred in bringing them to their present location and condition and includes excise duty payable. Weighted Average Method is used for determination of cost.

g. TAXATION

- i. Income tax expense comprises current tax and fringe benefit tax (i.e. amount of tax for the period determined in accordance with the income tax law) and deferred tax charge or credit (reflecting the tax effects of timing differences between accounting income and taxable income for the year).
- ii. The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates that have been enacted or substantively enacted by the balance sheet date.
- iii. Deferred tax is recognised, subject to the consideration of prudence on timing differences, being the difference between taxable incomes and accounting incomes that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax asset including asset arising from unabsorbed depreciation and losses carried forward, is not recognised unless there is virtual certainty that sufficient future taxable income will be available against which deferred tax can be realised.
